### High Alkaline

**This menu has a focus on high alkaline and raw ingredients to aid digestive health. All \$18.50**

Eating a balance of 80/20 (alkaline/acidic) allows the body to maximize its nutrient and mineral absorption. We recommend these dishes be eaten within 2 days of delivery, as many of the ingredients are raw. We are always happy to mix and match sides.

Where possible organic ingredients are used. These meals are delicate & designed to be eaten just warm. Heat slowly & check as you go, the ingredients will thank you.

70. Organic San Choi Bau – organic chicken & beef mince with kelp noodles, ginger, coriander & chopped macadamia nuts. A healthy twist on an Asian classic

71. Organic Chicken, Ginger, Soy & Nori Parcels served with Whole Buckwheat, Broccoli & Spring Green Vegetable & Lemon Pilaf.

72. Fillet of Salmon or White Fish steamed with a Green Olive, Almond & Lemon Tapenade, served with a warm Roasted Vegetable, Quinoa, Almond & Kale Salad.

73. Chicken & Vegetable Patties w Quinoa svd w Steamed Asian Greens.

All of our food is cooked on the day of delivery. We only use fresh ingredients and never add preservatives or fillers. Our food has a conservative use-by date of 4 days and almost all dishes can be frozen (details are provided on packaging). We take pride in our product and appreciate your feedback. Any positive feedback or constructive criticism is important to our business. Please email your thoughts and suggestions to [info@quinceandclove.com.au](mailto:info@quinceandclove.com.au). For function enquiries please call or go to our website to view a finger food menu and find out more about us [www.quinceandclove.com.au](http://www.quinceandclove.com.au).
